

## 2016 Internship Report

Prepared by the Nicholas School Career & Professional Development Center

### Summary Data

We sent 168 individually addressed emails with subsequent reminders to rising 2<sup>nd</sup> year MEM and MF students. We received internship information from 145 students (86% response rate).

Of the 145 students, 99% (143 respondents) reported securing an internship. One EEP student secured two internships for a total of 144 confirmed internships in this cohort.
