Attendance is Mandatory for All New On-Campus Professional MEM and MF Students.

The Nicholas School of the Environment (NSOE) is housed in two primary locations on Duke University's West Campus; the Environment Hall (EH) located at 9 Circuit Drive, and the Levine Science Research Center (LSRC) A-wing, which is located at 308 Research Drive. Both locations are connected by a breezeway on the first floor.

Orientation Tips: All new students are expected to attend sessions noted as mandatory. We ask that new students wear their sustainable name tags throughout Orientation, including social events.

The POD leaders and other returning student representatives are here to help! These students have all graciously agreed to assist new students throughout orientation week by facilitating sessions, guiding tours, sharing tips about the Nicholas School, Duke and Durham as well as to offer a warm smile and words of encouragement as you begin your academic journey.

🌟Share your orientation photos with us using #WeAreDukeEnvironment!

2016 Schedule of Activities & Events

Thursday, August 18

8:30a.m. Duke Forest Tour
Meet for a guided tour of the Duke Forest. It is likely to be very hot that day. Students should dress comfortably, wear closed toed shoes, and bring a canteen. Registered students should arrive no later than 8:15am. Students unable to attend this tour will have an opportunity to do so during Orientation Week. The tour is limited to 30 people be sure to indicate your preference on the Orientation event registration form; first come-first served. If you are unable to attend, visit the Duke Forest website to learn more about how you can get involved in the Duke Forest.

- The tour will end at approximately 11:00am.
- Where: Meet tour leader on the 2nd floor of the Environment Hall near the main entrance.

9:00a.m. Written & Oral Language Diagnostic Examinations (Mandatory) 🌟
All students whose first language is not English are required to take this exam unless they have been previously excused by the program coordinator of the English for International Students (EIS) Program.

- Facilitator: Kaitlyn Aigner, Program Coordinator, EIS Program, Graduate School
- Where: 114 Language Building (Language Lab) located at 413 Chapel Drive

11:30a.m. Pick-up your Duke Student ID card
New students are encouraged to pick-up their Duke Student ID card prior to the Parking and Transportation session at 12:30p.m.

- Where: 012 Telcom Building (rear entrance lower level) off Research Drive; walking directions / map.
Contact a representative at dukecard@duke.edu or 919-684-5800. Standard hours Monday through Friday from 8:00am-6:00pm and weekend hours August 20 and 21 from noon to 4:00pm.
12:30p.m. Parking and Transportation Services, General Information Session
A representative from the university’s Office of Parking and Transportation Services will be available to provide commuter assistance for transit, cycling, parking, and more. The session will review membership to Duke’s car-share program, local and regional transit options, biking, campus shuttles and other resources. Stop in to pick up your free GoPass, learn more about parking at Duke, and find the information you need to get around campus without a car.
- Facilitators: Alison Carpenter, TDM Program Manager and Matthew Lardie, Program Coordinator for Parking and Transportation Services
- End Time: 1:30pm
- Where: Field Auditorium, 1112 Environment Hall (EH)

2:00p.m. Calculus Review Session
While not mandatory, all students are encouraged to attend the calculus review. Participation in this review session is not a substitute for fulfilling the calculus prerequisite. Students unable to attend the review should continue to use the calculus review materials at the admitted students web pages to prepare for the diagnostic exam.
- Preparation: Students who plan to attend the calculus review session should bring paper, pen/pencil and calculator; no special type of calculator needed.
- Facilitator: Rob Fetter, PhD Candidate, UPEP
- Where: Field Auditorium, 1112 Environment Hall (EH)

Friday, August 19

Students required to take the written and oral language exams have already been assigned an exam time. On the day of your exam, please plan to arrive at least 10 minutes prior to your assigned time.

9:00a.m. Written & Oral Language Diagnostic Examinations (Mandatory) ⭐
All students whose first language is not English are required to take this exam unless they have been previously excused by the program coordinator of the English for International Students (EIS) Program.
- Facilitator: Kaitlyn Aigner, Program Coordinator, EIS Program, Graduate School
- Where: Perkins Library LINK 072 (Classroom 6) 411 Chapel Drive

The next 2 activities are occurring concurrently. Both begin at 1:00pm and end at 1:50pm. Students will have the opportunity to attend both.

1:00p.m. Information Technology (IT) Open House
Representatives from the Nicholas School’s Information Technology office will be available during this time to assist students in getting their accounts set up and learning how to access important online and on-campus resources.
- Facilitator: Katheryne Doughty, Manager, NSOE IT Help Desk
- End Time: 1:30pm
- Where: Field Auditorium, 1112 Environment Hall (EH)

Locker Key Distribution
Students who requested a locker online during the summer should plan to pick-up their locker key.
- Facilitator: Anne M. Davis, Administrative Services, Dean’s Office
- Where: A140 near Hug Commons (first floor lobby), A Wing, LSRC

2:00p.m. Statistics Review Session
While not mandatory, all students are encouraged to attend. Participation in this review session is not a substitute for fulfilling the statistics prerequisite. Students should indicate their plans to attend
in advance on the Orientation event registration form. Students unable to attend the review should continue to use the statistics review web page to prepare for the diagnostic exam. Students who plan to attend the review session should bring a laptop or tablet.

- Facilitator: Dr. Betsy Albright, Assistant Professor, Environmental Sci & Policy Division
- Where: Field Auditorium, 1112 Environment Hall (EH)

Monday, August 22

Monday morning, students should go directly to the 2nd Floor Environment Hall.

10:00 a.m. Check-In
Welcome to the Nicholas School community! New students will have an opportunity to meet and get to know their fellow classmates, POD leaders and other orientation volunteers. Orientation packets will be available for distribution. **Light refreshments provided during this time.**

- Facilitators: Student Services Staff and Second Year Student Volunteers
- Where: 2nd Floor, Environment Hall

All other morning sessions through lunch except for the group photos will be held in 1112 Field Auditorium, EH. The auditorium is located on the 1st floor.

10:30 a.m. Welcome and Introduction
- Presenter: Dr. Jeff Vincent, Interim Dean of the Nicholas School of the Environment

10:45 a.m. General Orientation Comments and Staff Introductions
- Presenter: Cynthia Peters, Assistant Dean, Student Services

11:00 a.m. New Students Group Photographs
Group numbers are included on the front cover of the orientation packet. Students must be present Monday morning to be included in the group photograph so arrive on-time; there will not be a second opportunity to participate.

11:30 a.m. Statistics Diagnostic Examination (Mandatory)
All new on-campus professional master’s degree students are expected to take the statistics diagnostic examination. Only those students who have never taken a college level course in statistics or those students who did not meet the minimum grade required for the prerequisite are permitted to skip the exam at this time but will be required to take the exam spring 2017. Students will have **one hour and 15 minutes** to take the statistics exam.

12:45 p.m. Lunch
Get to know other new students, staff, faculty representatives and continuing student volunteers. POD leaders have been invited to attend.

- Where: Hug Commons and LSRC Courtyard area

**Student-to-Student Resource Station**
During the lunch break, stop by the student-to-student resource table managed by 2nd year student volunteers. Continuing student representatives will be available to answer questions and to share on-campus and Durham area tips from a student-to-student perspective.

- Facilitators: Second Year Student Volunteers
- Where: 2nd floor Environment Hall
Program Description & Worksheet
Also, be sure to pick-up a copy of your program area description and course planning worksheet outside of the Student Services office (Suite A101 LSRC). New students will need this information for the 1:45pm group advising sessions.

1:45p.m.  Program Area Group Advising Sessions
Faculty will gather by program area of study to begin group academic advising. New students should go directly to the group advising session to which they have already been admitted. Returning/second year student volunteers will join the academic advising sessions.

- Where: All meetings will take place in the Environment Hall (EH) and Levine Science Research Center (LSRC); room numbers in bold print below.

Master of Forestry (MF) Degree–A247 LSRC
- Dr. Ram Oren, Nicholas Professor of Earth System Science and Master of Forestry Co-Chair; Students: Ramsey Meigs, 3rd year MF/MBA

Master of Environmental Management (MEM) Degree
- Coastal Environmental Management (CEM) – A156, LSRC – Dr. Patrick Halpin, Associate Professor of Marine Geospatial Ecology and Co-Chair, CEM Concentration; Dr. Grant Murray, Associate Professor of Marine Policy and Co-Chair, CEM Concentration; Sarah Phillips, Program Coordinator, DUML; Students: Caitlin Starks, Emily Mills, Diego Calderon-Arrieta, Katie Myers
- Ecosystem Science and Conservation (ESC) – A247 LSRC – Dr. Jennifer Swenson, Associate Professor of the Practice of Geospatial Analysis; Students: Priya Ranganathan, Tim Hipp, Nathan Walker, Emily Mills, Diego Calderon-Arrieta, Katie Myers
- Ecotoxicology and Environmental Health (EEH) – A336 LSRC – Dr. Heather Stapleton, Associate Professor of Environmental Chemistry and Program Chair; Students: Meredith Frenchmeyer, Spencer Cote, Eric Russman
- Energy and Environment (EE) – Field Auditorium EH – Dr. Timothy Johnson, Associate Professor of the Practice in Energy and the Environment and Program Chair; Students: Hui Pan, Elena Clemenson-Charles
- Environmental Economics and Policy (EEP) – 2102, EH – Dr. Lori Bennear, Associate Professor of Environmental Economics and Policy and Program Chair; Students: Jesse Way, Kristin Murphy, Jen Lamy, Justine Huette, Janesha Hassaram, Lili Pita
- Global Environmental Change (GEC) – 1111 EH – Dr. Brad Murray, Professor of Earth and Ocean Sciences and Program Chair; Students: Jessica Korsh
- Water Resources Management (WRM) – 1101 EH – Dr. Curt Richardson, Professor of Resource Ecology and Interim Program Chair; Students: Jennifer Brennan, Breanna Crowell

3:00p.m.  Break

3:15p.m.  Overview of Course Registration/General Student Advising
During this session, critical information important to the course registration process will be shared. All new students are expected to attend.

- Facilitators: Dr. Deb Gallagher, Associate Professor of the Practice of Resource and Environmental Policy and Director of Professional Studies; Cynthia Peters, Assistant Dean, Student Services; and Erika Lovelace, Associate Director and Registrar, Student Services
- Where: Field Auditorium, 1112 Environment Hall (EH)

4:00p.m.  Cool Down
We cordially invite all new students to attend. This is a fun and relaxing way to end your first day of Orientation. Light snacks and icy treats served.

- End Time: approximately 5:00pm
- Where: 2nd floor Environment Hall
**Student-to-Student Resource Station**
During the Cool Down, we encourage students to stop by the student-to-student resource table managed by 2nd year student volunteers. Continuing student representatives will be available to answer questions and to share on-campus and Durham area tips from a student-to-student perspective.
- Where: 2nd floor Environment Hall

**Tuesday, August 23**

**Individual Advising Begins...**
_Students should schedule an appointment with their academic course work advisor._
_Advising will continue throughout the remainder of the week._

9:15a.m.  **Information Technology (IT) Open House**
Representatives from the Nicholas School's Information Technology office will be available during this time to assist students in getting their accounts set up and learning how to access important online and on-campus resources.
- Facilitator: Katheryne Doughty, Manager, NSOE IT Help Desk
- Time: 9:45am
- Where: Field Auditorium, 1112 Environment Hall (EH)

10:00a.m.  **Calculus Diagnostic Examination (Mandatory) 🌟**
All new on-campus professional master's degree students are expected to sit for the calculus diagnostic examination. Only those students who have never taken a college level course in calculus or those students who did not meet the minimum grade required for the prerequisite are permitted to skip the exam at this time but will be required to take the exam spring 2016. Students have **one hour and 15 minutes** to take the calculus exam.
- Where: Field Auditorium, 1112 Environment Hall (EH)

11:15a.m.  **Break**

11:30a.m.  **Honor Code Orientation (Mandatory) 🌟**
All new students must attend the Honor Code Orientation and sign the online Honor Code Agreement no later than Friday, August 26.
- Keynote Speaker: Dr. Meg Mullin, Associate Professor of Environmental Politics
- Where: Field Auditorium, 1112 Environment Hall (EH)

_Students will be asked to participate in small group discussions following the speaker's presentation. Details will be provided at the session but students should come prepared to contribute._

12:30p.m.  **Break**
Bring your own lunch. Students are encouraged to coordinate lunch with the POD leader/group.

1:30p.m.  **Overview of Work-Study Procedures and Payroll Process 🌟**
This session is **mandatory** for those students who are work-study eligible. Students who are not work study eligible should not plan to attend.
- Facilitators: Cynthia Peters, Assistant Dean, Student Services; John Robinson, Assistant Dean, IT; Beatriz Martin, Business Office; Debbie Gooch, Staff Assistant, Business Office,
- Where: Field Auditorium, 1112 Environment Hall (EH)
2:00p.m. **Overview of Assistantship Expectations and Payroll Process**  
This session is mandatory for those students who were awarded an assistantship. Students who were not awarded an assistantship should not plan to attend.
- Facilitators: Cynthia Peters, Assistant Dean, Student Services; John Robinson, Assistant Dean, IT; Beatriz Martin, Administrative Assistant, Business Office; and Debbie Gooch, Staff Assistant, Business Office
- Where: Field Auditorium, 1112 Environment Hall (EH)

2:30p.m. **Break**

2:45p.m. **Are You Missing a Prerequisite?**  
Students missing a required prerequisite course are encouraged to attend to learn about course options at Duke, UNC-Chapel Hill, NC State University and NC Central University.
- Facilitators: Erika Lovelace, Associate Director and Registrar; Cynthia Peters, Assistant Dean, Student Services; and Dr. Deb Gallagher, Associate Professor of the Practice of Resource and Environmental Policy and Director of Professional Studies Geospatial Analysis
- Where: Field Auditorium, 1112 Environment Hall (EH)

2:45p.m. **Locker Key Distribution**  
Students who requested a locker online during the summer should plan to pick-up their locker key.
- Facilitator: Anne M. Davis, Administrative Services, Dean’s Office
- Where: Hug Commons (first floor lobby), A Wing, LSRC

*The next 2 activities are occurring concurrently. Both begin at 3:15pm and end at 4:00pm. Students will not have the opportunity to attend both.*

3:15p.m. **Concurrent Degree Students Q&A Session**  
All students who have already been admitted to a concurrent or dual degree are encouraged to attend; this includes all concurrent degrees: MEM/MF (joint); MBA/MEM or MF; MPP/MEM or MF; MAT/MEM or MF; JD/MEM or MF; and/or MEMP/MEM or MF.
- Facilitators: Dr. Deb Gallagher, Associate Professor of the Practice of Resource and Environmental Policy and Director of Professional Studies Geospatial Analysis and Cynthia Peters, Assistant Dean, Student Services
- Where: Field Auditorium, 1112 Environment Hall (EH)

**Perkins/Bostock Libraries Tour**  
Meet librarian for a guided tour of Perkins and Bostock libraries, which includes visits to the Data/GIS Suite & Help Desk, The Link, and general library facilities. The tour will begin promptly at 3:15pm; please arrive on-time. We encourage students to arrive at least 5 minutes early. A second tour will be offered Friday morning August 26.
- Facilitator: Michael Peper, Librarian for the Nicholas School of the Environment
- Where: Meet librarian in the breezeway between Perkins and Bostock libraries.

4:00p.m. **Break**

4:30p.m. **Diversity & Inclusion**  
At the Nicholas School of the Environment, creating and maintaining an environment that is both diverse and inclusive is a top priority. We are delighted to offer a fun and interactive activity that will explore the value of diversity and inclusivity in higher education, help new students identify community links within the School and allow new students the opportunity to engage in meaningful small group discussions with their peers. Attendance is mandatory for all new students. The activity will conclude with a social hour on the 2nd floor of Environment Hall.
- Field Auditorium, 1112 Environment Hall (EH)
5:30pm. ¡Salsa y Salsa!
Come join us for a Salsa Social, co-sponsored by the Black & Latino Club
Great snacks! Salsa Dance instructions included.
- Where: 2nd Floor Environment Hall

Wednesday, August 24

Individual advising continues -- students should make time today to meet with their academic advisor.

10:00a.m. An Introduction to Career & Professional Development (Mandatory)
Come and learn about the opportunities available and services provided by the Nicholas School’s Career and Professional Development team. You don’t want to miss this fun and interactive orientation show! It gets rave reviews every year.
- Facilitators: Karen Kirchof, Assistant Dean; Deb Wojcik, Director; John Brodeur, Assistant Director; and Thelma Jernigan, Staff Assistant
- Where: Field Auditorium, 1112 Environment Hall (EH)
- Group Green

11:00a.m. An Introduction to Career & Professional Development (Mandatory)
Come and learn about the opportunities available and services provided by the Nicholas School’s Career and Professional Development team. You don’t want to miss this fun and interactive orientation show! It gets rave reviews every year.
- Facilitators: Karen Kirchof, Assistant Dean; Deb Wojcik, Director; John Brodeur, Assistant Director; and Thelma Jernigan, Staff Assistant
- Where: Field Auditorium, 1112 Environment Hall (EH)
- Group Blue

12:00p.m. Lunch-to-Go
Pick-up your lunch on the 2nd floor of Environment Hall. Seating is available in the common areas in Environment Hall and the Orchard located just outside of the first floor.

Student-to-Student Resource Station
During lunch, we encourage students to stop by the student-to-student resource table managed by 2nd year student volunteers. Continuing student representatives will be available to answer questions and to share on-campus and Durham area tips from a student-to-student perspective.
- Facilitators: Second Year Student Volunteers
- Where: 2nd floor Environment Hall

Short Presentations

Each brief presentation will last 15-minutes. Interested students are strongly encouraged to attend.
All short-sessions will be held in 1112 Field Auditorium, Environment Hall, West Campus.

12:45p.m. Resource and Environmental Economics
Students who plan to enroll in Resource and Environmental Economics (ENVIRON 520 & 521) this fall should plan to attend this session. All EEP, CEM, and EE students should plan to attend.
- Facilitator: Dr. Lori Bennear, Associate Professor of Environmental Economics and Policy

1:00p.m. Duke University Energy Initiative
Students who want to know more and/or learn about the university’s Energy Initiative should plan to attend.
- Facilitator: Stacy Peterson, M.Ed., Energy Education Program Coordinator
1:15p.m. **Graduate Certificate in Sustainable Systems Analysis**
Students who plan to pursue the [Sustainable Systems Analysis certificate](#) should plan to attend.
- Facilitator: Dr. Jay S. Golden, Director, Duke Center for Sustainability and Commerce

1:30p.m. **Environmental Innovation and Entrepreneurship Certificate**
Students who plan to pursue the [Environmental Innovation & Entrepreneurship certificate](#) should plan to attend.
- Facilitator: Dr. Jesko von Windheim, Professor of the Practice, Environmental Innovation and Entrepreneurship

1:45p.m. **Geospatial Analysis Curriculum & Certificate**
Students who plan to enroll in Fundamentals of GIS and Geospatial Analysis (ENVIRON 559) this fall should plan to attend this session. This course is the gateway to all geospatial courses offered by the Nicholas School, and the [GIS certificate](#). Professor Halpin will begin distribution of [GIS permission numbers](#) on **Wednesday, August 24 at 3:00pm** in 2102, Environment Hall.
- Course Instructor: Dr. Patrick Halpin, Associate Professor of Marine Geospatial Ecology

2:00p.m. **Community-Based Environmental Management Certificate**
Students who plan to pursue the [Community-Based Environmental Management certificate](#) should plan to attend.
- Facilitator: Dr. Elizabeth Shapiro-Garza, Assistant Professor of the Practice of Environmental Policy and Management and CBEM Coordinator

2:15p.m. **Big Cats Initiative**
The National Geographic Society's Big Cats Initiative supports promising local conservationists who are safeguarding and restoring big cat populations across the world. The BCI at Duke offers MEM students the unique opportunity to intern for our client, National Geographic. Our group meets one evening per week, where we learn about big cat conservation, meet with conservation heroes, and produce assessments for National Geographic. Participate for credit (fall and/or spring) or as a volunteer. For additional information contact rebecca.schoonover@duke.edu for more info.
- Facilitator: Rebecca Schoonover, MEM/MF '15

2:30p.m. **Office of Development and Alumni Relations**
Did you know the Office of Development & Alumni Relations (ODAR) is here for you, too? ODAR supports, leads, and partners with other Nicholas School and University departments and groups to enrich your student experience. Attend this session to learn about ODAR’s purpose, events, and programs to help you make the best of your time at the Nic School.
- Facilitator: Glenda Lee, MA, SPHR, Assistant Director, Alumni Engagement and Programs; Courtney Edwards, MEM’15, Assistant Director, Annual Giving

2:45p.m. **Environmental Law and Policy Clinic**
Students interested in learning more about the [Environmental Law and Policy Clinic](#), how they can get involved in real-life cases, and the curriculum should plan to attend.
- Course Instructors: Ryke Longest, Jr., J.D., Director & Senior Lecturing Fellow and Michelle B. Nowlin, J.D., Supervising Attorney and Senior Lecturing Fellow

3:00p.m. **Bass Connections**
Overview of a new university-wide initiative that brings together faculty and students to explore real-world issues in interdisciplinary research teams.
- Facilitator: Sarah Dwyer, Assistant Director, Bass Connections

*In addition to the certificate offerings covered above, NSOE students may also pursue certificate offerings in [Latin American and Caribbean Studies](#) and [International Development Policy](#).*
4:00p.m. Graduate and Professional Students Fall Convocation (Attendance Encouraged)
This is a university sponsored event. All new professional students are invited and strongly encouraged to attend. Our own Professor Susan Lozier, the Ronie-Richelle Garcia-Johnson Professor of Earth and Ocean Sciences, will be the keynote speaker. Immediately following the Convocation, at 5:00pm, the Duke Alumni Association will host a post-Convocation Welcome Reception for the graduate and professional students on the Chapel Quad, West Campus. New students must bring their DukeCard ID to participate in this event.

- Where: Duke Chapel, West Campus

Enroll in Fall Classes!

On Thursday, August 25, course registration begins promptly at 7:00am in the DukeHub. Students may register for up to 12 credit hours beginning on Thursday, August 25. Then, beginning at 10:00am on Friday, August 26 all students (new and returning) will be able to enroll in up to 15 credits. If more than 15 credits are needed, advisor consent is required. Prior to Thursday, August 25, new students should attend group and individual academic advising meetings to go over course selections and program requirements with faculty advisors ensure successful progress towards degree requirements. Drop/add registration in the DukeHub ends Friday, September 9. Other than registering for classes, there are no on-campus activities scheduled on Thursday, August 25. Feel free to take the day off! As always, students are encouraged to stop by the Student Services office (A101 LSRC) for assistance with course registration related matters. The office hours are 8:30am-5:00pm Monday through Friday.

Attendance Optional but Strongly Encouraged

Friday, August 26

8:15a.m. Duke Forest Tour
Meet for a guided tour of the Duke Forest. It is likely to be very hot that day. Students should dress comfortably, wear closed toed shoes, and bring a canteen. Registered students should arrive no later than 8:15am. Students unable to attend this tour will have an opportunity to do so during Orientation Week. The tour is limited to 30 people be sure to indicate your preference on the Orientation event registration form; first come-first served. If you are unable to attend, visit the Duke Forest website to learn more about how you can get involved in the Duke Forest.

- The tour will end at approximately 9:45am.
- Where: Meet tour leader on the 2nd floor of the Environment Hall near the main entrance.

10:00a.m. Health Insurance and Immunization Requirements
Lead representatives from the Student Health Center will be here to provide an overview of the immunization requirements and health insurance. Interested students are encouraged to attend.

- Facilitators: Kelan Beacham, Manager, Student Health Insurance and Joy Holder, Manager, Student Health Center
- Where: 1112 Field Auditorium, Environment Hall
1:30 p.m.  **Sakai Training**

*Sakai* is a flexible, open-source collaboration and learning environment that provides Duke faculty and instructors with tools to support teaching and learning activities. For students, it is mostly likely be the platform that you use to upload your **NSOE classroom assignments**, it is an independent space for storing and sharing files and access the list of course specific readings, resources and assignments. This training is designed only for students who do not already know how to use Sakai or similar platform.

- Facilitators: Mohamad Chamas, Technology Trainer, Office of Information Technology (OIT); additional OIT staff will be present to assist students through exercises
- Preparation: Students who plan to attend the Sakai training should bring their laptop or tablet.
- Where: 1112 Field Auditorium, Environment Hall

2:00 p.m.  **We Are Duke Environment Fair**

Learn about student organizations and staff departments at the Nicholas School and Duke University. Come and meet the continuing student representatives, group leaders and staff participants. *Share your orientation photos with us using #WeAreDukeEnvironment! Light refreshments will be provided.*

- Co-sponsors: Student Services and Office of Development and Alumni Relations (ODAR)
- End Time: 4:00pm
- Where: 2nd Floor Lobby Environment Hall

---

**FALL SEMESTER**

**Friday, September 2, 2016**

4:00 p.m.  **Forestry Program Information Session**

Students interested in learning more about the forestry degree and/or add the [Master of Forestry](#) degree should plan to attend.

- Facilitators: Dr. Ram Oren, Nicholas Professor of Earth System Science and Master of Forestry Co-Chair and Dr. Jeff Vincent, Interim Dean of the Nicholas School of the Environment
- Where: B101, Love Auditorium

**Wednesday, September 7, 2016**

7:00–9:00 p.m.  **Nicholas School Student Group Leader Orientation**

All Student Group Leaders are required to attend

- Nicholas School Student Council Leaders and Student Group Support Team
- Where: EH 2102
