^Marine Science + Conservation Concentration

UNDERGRADUATE SPECIAL AWARDS

GRADUATION WITH DISTINCTION Accords special recognition for academic excellence to students who successfully complete a significant thesis based on an independent research project on the environment, earth and climate sciences, and/or marine science and conservation.

SARA LABOSKEY AWARD Awarded annually in recognition of personal integrity and academic excellence. (Environmental Sciences/Policy)

THOMAS V. LASKA MEMORIAL AWARD Awarded annually in recognition of outstanding achievement in the earth and climate sciences. (Earth and Climate Sciences)

MARINE SCIENCE AND CONSERVATION AWARD Awarded annually to an outstanding student in recognition of excellence in scholarship, research, and citizenship. (Marine Science and Conservation)

MAGGIE SCHNEIDER AWARD IN MARINE BIOLOGY An award from the Biology Department for a student who demonstrates a love of learning and service in marine conservation biology.
